

Position Description

Position details

Position Title:	Intake & Access Team Leader	Reports to:	General Manager Direct Services
Team:	Intake & Access Team	Location:	Brunswick
Group:	Direct Services	Hours:	1.0 EFT (part time negotiable)
Classification:	Level 7	Status:	Ongoing

The Organisation

The Victorian Foundation for Survivors of Torture Inc. (VFST), also known as Foundation House, provides services to advance the health, wellbeing and human rights of people from refugee backgrounds who have experienced torture or other traumatic events.

Established in Melbourne in 1987, Foundation House is non-denominational, politically neutral and non-aligned. It is constituted as a not-for-profit organisation managed by an elected Board of Management and is funded by the Commonwealth and Victorian Governments, philanthropic organisations and donations from private individuals.

Foundation House is a state-wide agency offering services in metropolitan, regional and rural areas. Offices are in Brunswick (head office), Dallas, Dandenong, Ringwood and Sunshine. Services are also provided in partnership with other agencies outside of the metro area. With approximately 200 staff the organisation:

- Delivers services to clients in the form of counselling, advocacy, family support, group work and complementary therapies
- Works with client communities and the sectors they interact with
- Provides professional and organisational development to internal and external stakeholders
- Advocates to governments for improvements to policies and programs
- Conducts and contributes to research.

Working in partnership with clients, their families and communities, and the sectors they interact with, an integrated trauma recovery service model guides the agency under an organisational structure which is comprised of the following areas:

- Direct (Client) Services
- Community Capacity Building
- Practice and Sector Development
- Corporate Services.

Vision

A world without torture and where communities respect, embrace and empower people from refugee backgrounds to thrive.

Purpose

To be a leader in delivering specialist trauma-focussed services that work with the strengths and resilience of refugees, their families and communities to rebuild lives shattered by torture and other traumatic events.

Position Description

Child and Family Safe

Foundation House is committed to promoting and protecting the interests and safety of children and actively plays a part in combating family violence; this is reflected in our organisational policies, protocols and staff development.

Organisational Area Summary

The Direct Services program of Foundation House provides services to survivors of torture and other traumatic events in the form of specialised counselling, individual and family support, groupwork, complementary therapies such as traditional herbal remedies, massage and other natural therapies. It operates across the three regions of metropolitan Melbourne and works in partnership with other organisations to deliver services in rural and regional areas. Direct Services is committed to delivering safe, effective, connected and person-centred services to everybody, every time.

Direct Services program consists of the Intake and Access Team, Complementary Therapies Team, Ucan2, Rural and Regional Services, Adult and Family Program and Child, Youth and Family Program. Services are delivered both onsite and via outreach and in conjunction with other programs of the organisation such as the Schools Support, Community Capacity Building and Practice and Sector Development. All parts of the organisation are informed by the Integrated Trauma Recovery Service Model.

Direct Services teams are currently located in metropolitan Melbourne with offices in Brunswick, Sunshine, Dallas, Dandenong and Ringwood.

Position Summary

The position leads the Intake and Access Team which is an integrated part of Direct Services established to respond to referrals and provide an initial assessment to determine eligibility, consent, priority and whether Foundation House is the most appropriate services or if referrals to other services are indicated. The team comprise of approximately 5 -10 staff, some of whom are part-time. It is managed from Brunswick Head Office and includes regular outreach to the regional offices.

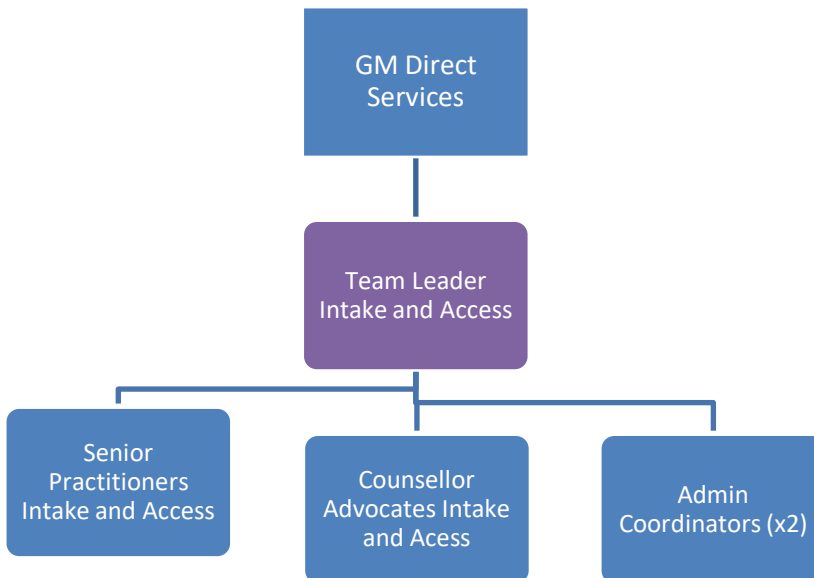

The Intake & Access Team Leader as part of the direct services leadership team and is responsible for the delivery of safe, person centred, effective and connected services in relation to all incoming referrals. They are responsible for leading the intake and access functions of direct services at Foundation House and ensuring effective and responsive management of referrals, risk management and staff support that delivers service to clients in line with VFST's Integrated Trauma Recovery Service Model.
