Position details

Position Title:	Practice Leader	Reports to:	Manager Practice and Professional Learning
Team:	Practice Development Team	Location:	Brunswick
Classification:	Level 7	Status:	.8 EFT – Fixed term 12 months

The Organisation

The Victorian Foundation for Survivors of Torture Inc. (VFST), also known as Foundation House, provides services to advance the health, wellbeing and human rights of people from refugee backgrounds who have experienced torture or other traumatic events.

Established in Melbourne in 1987, Foundation House is non-denominational, politically neutral and non-aligned. It is constituted as a not-for-profit organisation managed by an elected Board of Management and is funded by the Commonwealth and Victorian Governments, philanthropic organisations and donations from private individuals.

Foundation House is a state-wide agency offering services in metropolitan, regional and rural areas. Offices are in Brunswick (head office), Dallas, Dandenong, Ringwood and Sunshine. Services are also provided in partnership with other agencies outside of the metro area. With approximately 200 staff the organisation:

- Provides services to clients in the form of counselling, advocacy, family support, group work and complementary therapies
- Works with client communities and the sectors they interact with
- Offers professional and organisational development
- Advocates to governments for improvements to policies and programs
- Conducts and contributes to research

Working with approximately 5,000 clients a year a trauma recovery informed service model guides the integrated organisational structure which is comprised of the following areas:

- Direct (Client) Services
- Practice Development & Learning
- Community and Sector Development
- Corporate Services

Foundation House is committed to promoting and protecting the interests and safety of children and this is reflected in our organisational policies, protocols and staff development.

Mission

To advance the health, wellbeing and human rights of people from refugee backgrounds who have experienced torture or other traumatic events.

Organisational Area Summary

The Practice Development and Learning (PD&L) group is responsible for supporting the continued development in professional practice of the staff of Foundation House and continued learning and practice

Position Description

development of the wider sector and key partners with whom Foundation House works. PD&L has the following core responsibilities:

- Providing professional learning, supervision, reflective practice, and consultancy services to build the capacity of external service systems, organisations and individuals to support the needs of refugee communities who have experienced torture and other traumatic events;
- Providing practice development support to the staff of Foundation House through supervision, reflective practice, professional learning, and specialist consultation;
- To be a source of professional and policy advice and expertise related to the VFST Integrated Trauma Recovery Service Model;
- To support the development of research and evaluation that deepens practice knowledge in the field of trauma recovery work with survivors of torture and other traumatic events.

Foundation House has an excellent reputation in providing quality professional and organisational development activities including: a widely promoted calendar; tailored on-request training; reflective practice and supervision; consultancy services; and communities of practice for a range of participants including education, health, family support and community services.

Position Summary

The Practice Leader is part of the Practice Development and Learning Group, and provide expert advice, consultation, practice supervision and training to practitioners on working with survivors to torture and other traumatic events. The support provided to staff will be trauma informed and will assist them to work with clients towards recovery.

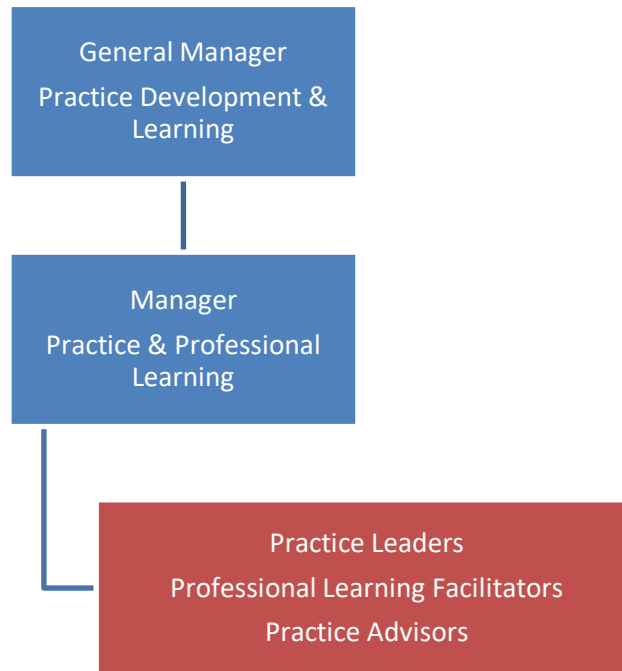

Practice Leaders will hold a portfolio area that they will be responsible for developing capacity across the organisation, at the same time as supporting multi-disciplinary and specialisation teams. The portfolio areas include Mental Health, Asylum Seekers, Children & Youth, Adult, Families & Communities.

The aim of the Practice Leader is to strengthen the skills and knowledge of practitioners across the organisation, to build a practice culture that meets best practice and integrates findings from international research and clinical practice. Under the leadership of the Practice Development Manager, the Practice Leaders will be instrumental in ensuring adherence to the Integrated Trauma Recovery Service Model (ITRSM) and contributing to the development and implementation of best practice across the organisation.
