About The Royal Melbourne Hospital

As one of Victoria’s largest public health services, The Royal Melbourne Hospital (RMH) provides a comprehensive range of specialist medical, surgical, and mental health services; as well as rehabilitation, aged care, outpatient and community programs. We are surrounded by a Parkville Precinct of brilliant thinkers, and we are constantly collaborating to set new benchmarks in health excellence - benchmarks that impact across the globe. While the work we do takes us in inspiring new directions; caring for each other, our patients and consumers is as essential to who we are, as any scientific breakthrough we make.

Our people of more than 10,000 strong, embody who we are and what we stand for. We're here for when it matters most, and we'll continue to be the first to speak out for our diverse community's wellbeing and for delivering excellence together, always.
